

What we do...

Central book's core interest area is in providing services for academic requirements and catering to reputed educational organizations by supplying -

School text books

Notebooks
(School Branding notebooks)

Book Covers
(School Branding book covers)

General Books
(School library supplies)

Stationery

Distribution (K-12 syllabus books)

Central books takes pride in maintaining a full fledged distribution network and addresses the key area of supplying every single book on time.

Our main services...

Bulk supplies with packed kits...

We supply student wise packed book kits Textbooks, Notebooks & Stationery.

We deliver the academic stocks as per the school needs to schools at their appropriate time of sales and the school takes the responsibility to sell the books and settle the accounts with central books at pre-agreed time.

School book stall...

We handhold the sales people in the school stalls and maintain the selling process on behalf of the school. This ensures that the school is relieved from the burden of sales, collection and accounting.

Online Services...

Online book/kit sales

www.centralbooksonline.com

- | To address the situation wherein the parent / end user cannot procure the academic requirement from school, Central books provides a facility of online book/kit sales.
- | With these operational methods central books ensures hassle free sales and services.

Our strength...

**40,000 sft
warehouse...**

Central books has a spacious 40 thousand square feet warehouse to enable centralized management of predetermined sufficient inventory levels.

250+ staff working...

We have sufficient man-power of around 250 people to ensure timely supplies. We are equipped with high quality, latest machines which help in making customized kits class wise for schools there by ensuring timely supply to schools.

Fulfillment manager...

We follow a personalized supply chain management with all major clients, and assign a 'Fulfillment Manager' as a single point of contact, who interacts with the authorities towards understanding school needs, and serves each school with priority, till the execution of the procurement.

Our Clients...

We work hand in hand with - 400 + schools. Some of the prestigious schools.....
